

WESTHORPE HALL
Residential Care

Sheet 10.

Visiting Westthorpe & how to find us

Visit us

“There’s always a Westthorpe welcome for any relatives or carers who would like to look around the Hall and its local environment.”

All, including couples or partners within our resident’s demographic range, are welcome to view our facilities and services. We are also happy for family, friends or representatives to visit at their leisure and we will be pleased to answer any questions that you may have.

Visiting times

Life is already hectic enough so, wherever possible, we try to ease things and fit around your requirements. The Hall is open all day, every day. However it does help us if you can give us a bit of a warning.

Accommodation

We are a modest-sized care home consequently, if you wish to stay over, we cannot offer accommodation. However we can recommend a number of local B&B’s, such as the Four Horseshoes at Thornham Magna.

How to find us

Although tucked away in the Suffolk countryside, Westhorpe Hall is nevertheless relatively easy to find:

From Ipswich

Leave the A14 at junction 49, Haughley village. Go straight through Haughley. Follow signs for Bacton. Go through Haughley Green still staying on same road. Follow it all the way to Bacton. Turn left at Lamberts Service Station, phone box, pond and Londis shop (all on left) should be posted for Westhorpe and Wyverstone. Stay on that road down the hill passing Bacton middle school and round the corner into Wyverstone until a T-junction. Turn right. Follow this road all the way into Westhorpe village, at next T, turn left. The drive and entrance to Westhorpe Hall is 100m on the right with a white sign that reads Westhorpe Hall Residential Care Home.

From Bury St Edmunds

Leave the A14 at junction 47, Elmswell (sign reads Elmswell, Woolpit, Tostock and Ixworth). 3rd exit off roundabout and head for Elmswell. Turn left after the church and turn left at the next T-junction opposite shop, over the railway line and stay on that road for 2/3 miles. This will take you into Great Ashfield, go past church on left. As you leave Great Ashfield take a right turn up a small hill (signposted Long Thurlow and Wyverstone). At the top turn right and stay on that road for 4/5 miles. Straight through villages of Long Thurlow and Wyverstone.

In Westhorpe village, turn left at T-turn and the drive and entrance to Westhorpe Hall is 100m on the right with a white sign that reads Westhorpe Hall Residential Care Home.

From Norwich

Take the A140 Ipswich road as far as Stoke Ash. After signs for Yaxley, Eye, Thornham Walks etc. turn right at the Stoke Ash White Horse pub (a large, white building on the right hand side of the road). Signposted Finningham, Thornham Magna and Wickham Skeith. Stay on this road through Thornham Magna and Wickham Skeith until Finningham. At cross roads, opposite Finningham White Horse pub, go straight over. This road leads into Westhorpe Village. The drive and entrance to Westhorpe Hall is directly after the village green on the right with a white sign that reads Westhorpe Hall Residential Care Home.
